No. S 105/VI/324 Karwar, 5-4-1957.

Subject: Lands: Kanara.
Village Tyarshi- Taluka Siddapur
Grant of .. for village Gaonthana

I enclose herewith the correspondance ending with endorsement No. San/44/746 dated 5-3-1957 from the Medical Officer of Health, Kanara Eastern Divisi Division(Pages 1 to 80) and have to state as follows:-

The residents of Tyarshi Village in Siddapur Taluka are in need of Gaonthana Area for residential purposes to accomodate the growing -- population of the village. They have selected 9 acres of land as shown in the sketch at page 3 out of minor forest S.No. 23-A of the village for the purpose.

The Chief Conservator of Forests has no objection to disforest the land for the purpose in question . The cattle population of the village is 652. The grazing area available in the village is 732-4-0 acre The grazing requirements of the village will not be affected if the area is disforested. The area is suitable for residential purposes from public health point of view.

I would,therefore, request that Govt. may please be moved to accord sanction to disforest an area of 9 acres out of minor Forest S.No. 23 A of Tyarshi village in Siddapur Taluka for the purpose of village Gaonthan. After this is done, the area will be laid out in suitable gaonthana plots and disposed of to thex residents of the village according to the Standing Orders of Government.

RB.
8 - APR 1957
16

The area in question can be disforested for extension of village gaonthana according to the policy laid down in para V of G.R., Agriculture and Forests Dept., No. FDM.1054 dated 28-1-1955. But as the area proposed for disforestment exceeds the limit of 5 acres prescribed in G.R., Agriculture and Forests Department No. FDM. 1054 dated 20-4-1955, I am not competent to pass necessary order in this case. Hence this reference is made to the Government.

Collector of Kanara.
